Why China

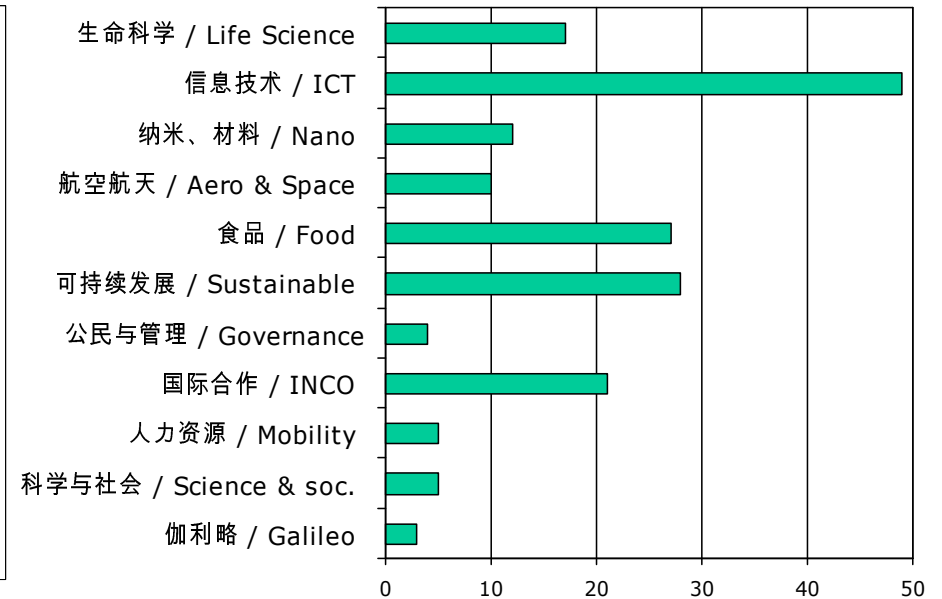

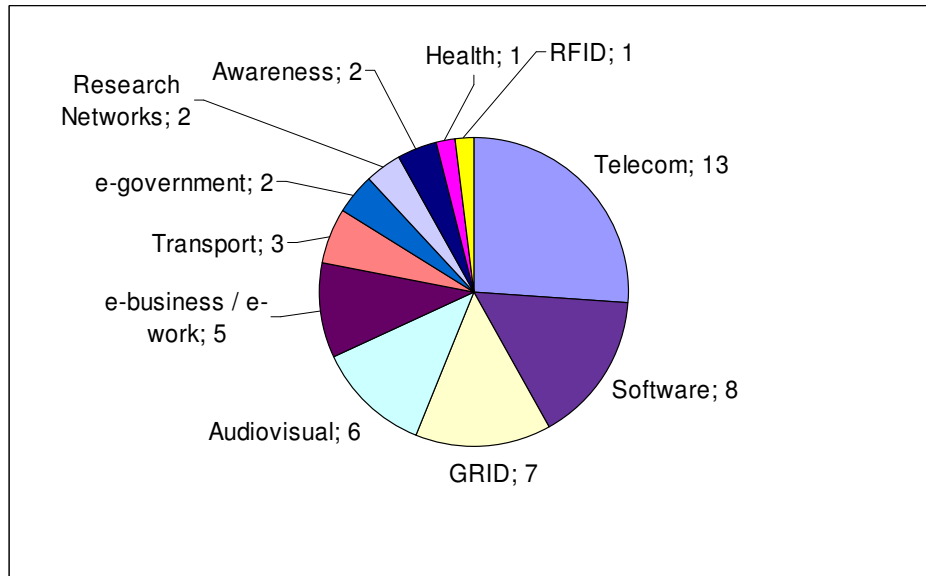

SPICE

调料

Chinese Participation in EU FP6

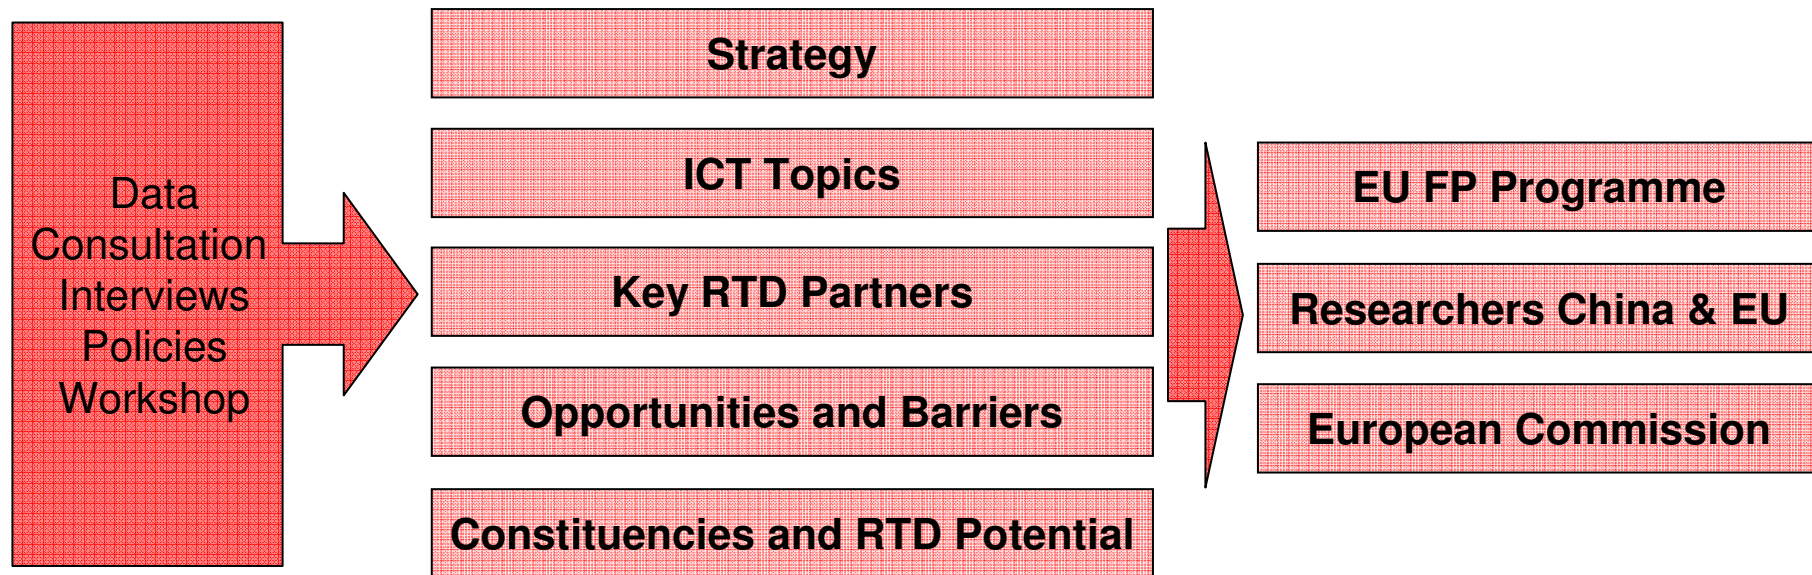

The excellent participation of Chinese organisations in FP an ICT poses the question concerning future strategy.

SPICE

Scanning the Potentialities for Future ICT Research Collaboration between China and the European Union.

Welcome

This website shows you the benefits of R&D Collaboration between China and the European Union. The experiences and successes of EU-China-R&D-collaboration are based on information on the [International R&D Cooperation](#), on [Funding Opportunities](#) and especially on the [EU's 7th Framework Programme for Research and technological Development](#). Furthermore, we give you an overview of [existing research collaboration between the EU and China](#).

SPICE project is supporting EU-China R&D cooperation. In the following sections you find a list of [benefits and SPICE Project Services](#) for each target group. A set of 6 organisations support you in your cooperation plans, all of them present themselves in the section [SPICE contacts](#). Moreover, this website shows [EU-China ICT Events](#), [ICT News from China and from FP7](#), [relevant Links](#), [Press information](#), and a [Download](#) section.
